Copperhaven Spreads Christmas Cheer

Students in grades one and six participated in the Lotions and Letters campaign to send handwritten letters or cards to give to seniors in long term care facilities in Spruce Grove and Stony Plain a happy Christmas message. Such kindness, delivered through a simple act.

Donations to the Parkland Food Bank topped out at 50 boxes of food donated in the month of December. Thank you to families for your generosity and to our teachers, Jenn Forsyth, Holly Gilchrist and Rebekkah Hearn for organizing this act of giving.

Educational Impact of COVID Pandemic

A study by a University of Alberta researcher was recently published in an article posted by the CBC. The effects of shut downs and other changes to education as a result of the pandemic have had an impact on students and reading. The article shares the researcher's findings and what we can do about it at school and home. Find the full article at the link below:
