2021-2022 School Registration--New and Returning Students

Registration for the 2021-2022 school year will be open from February 8th to March 25th. The deadline allows Parkland School Division to determine the eligibility of bus pass applicants, the routing of buses, bus pass production and data verification before the summer break while schools are still operating. Returning students' families that meet the deadline will ensure that they have a bus pass processed and delivered before they leave for summer vacation. Advanced registration helps schools plan and staff accurately for the upcoming school year, as well.

- Parents/Guardians of **Returning Students** will receive a link directly to their email inboxes to complete the registration process using a returning student form.
- Parents/Guardians of **New Students** go to Parkland School Division's website to register with a link to a separate 'new student form'.

Kindergarten Open Houses will be held on the following dates:

- French Immersion Kindergarten Open House - Tuesday February 9, 2021
