

Copperhaven School Communiqué

April 15, 2021

Grade 9 Immunization Program

As per current direction from Alberta Health the School Health Program has now been directed to focus on delivering Grade 9 immunizations, as able, while continuing to support the Covid vaccine rollout.

The following immunizations are recommended for Grade 9 students:

- A booster dose of diphtheria, tetanus and acellular pertussis (dTdap) vaccine
- A dose of meningococcal conjugate A,C,Y,w-135 (MenC-ACYW) vaccine
- Any routine childhood vaccines the student may have missed

Consent packages have been dropped off at the school for all Grade 9 students. Parents are requested to return the consents to the school indicating if they wish to proceed with immunization at school by April 19, 2021. The exact dates for immunization delivery will be announced once determined.

School Council

School Council's monthly meeting will be held April 21st virtually from 6:30-8:00 p.m. Please email the school if you are planning to attend so that a g-meet link can be sent to you in advance of the meeting.

We would like to thank everyone who has followed our [Facebook Page](#) and joined our [Facebook Group](#). If you haven't had a chance please join the conversations. We look forward to using these tools as a way to open up dialogue on a variety of topics.

Your Copperhaven School Council, Sean, Amy, Kim, Shayna, and Erin.

The Boundary Ridge Association

Mother's Day flowers through The Big Greenhouse:

Simply click the link below and enter the code Copperhaven2021 to go to our School's own order website. www.fundraisewiththebiggreenhouse.ca

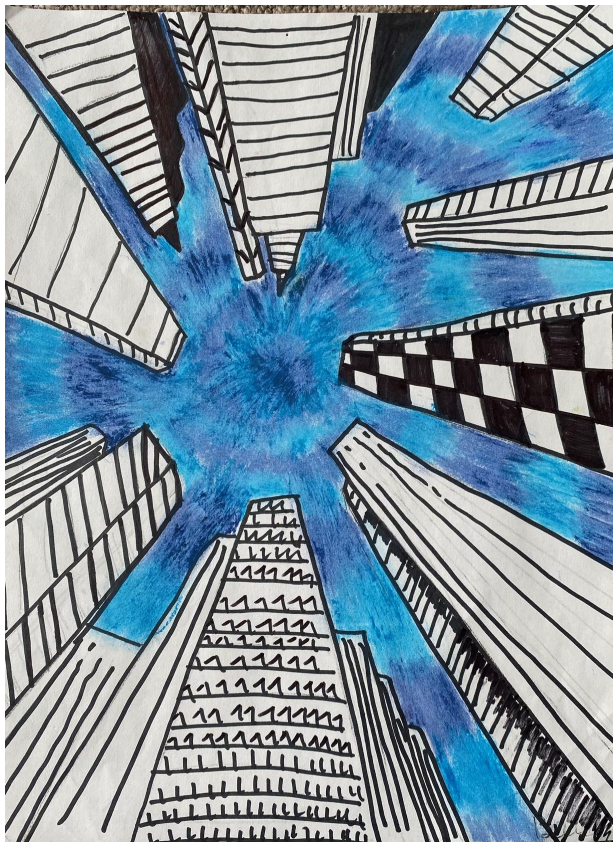

School Supplies through Write-On-Stationary:

Order next year's school supplies by clicking the link below and choose Parents Order Here then type Copperhaven School - SPRUCE GROVE and select the grade(s) applicable. You will have the option to remove or add items as necessary to customize your order. Due to Covid restrictions all orders will be shipped directly to your home address for a nominal fee.
