Bring Your Own Device Guidelines:

PSD students are not required to bring in their own devices. The school will have other devices for use which may or may not be assigned to the student, their home classroom or a specific classroom they are working in. The BYOD Initiative is entirely optional, and PSD's Technology Services Department will not manage nor fix any student -owned BYOD devices.

Parkland School Division does not endorse any specific device; we merely recommend that it have the following capabilities:

- Internet connectivity (through Wi-Fi)
- Ability to connect to Google Workspace for Education
- A keyboard - integrated, Bluetooth or touch screen
- Word processing capability (should be able to produce more than 1 paragraph)
- 6 hours of battery life
- Verify the devices' manufacture date (to ensure it is a recent model)
- Ability to integrate images, video and sound
