## 2022-2023 School Year Student Registration

Have you completed the online registration for your child/ren for the 2022-2023 school year? Without registration being completed annually your child may not have a seat and bus pass for the start of the school year. Without completed registration your child/ren will not be assigned to a class for the new school year. This is an important process for all parents to complete for your child/ren. Link to the registration process and instructions here: [New School Year Registration](#)

## Term 2 Report Cards

Please be sure to access your child/ren's term 2 report card which will be available in PowerSchool on Friday March 18. If you have any questions or concerns or need assistance in accessing the report cards in PowerSchool please contact the office. Remember that Friday March 18 is the last day of school before Spring Break so any emails or calls for assistance may not be answered until March 28.
