Schools in the Parkland School Division are building Comprehensive School Health Plans. These plans will incorporate the health dimensions of:

High School Transition Information

The staff of Spruce Grove Composite High School continue to work with the Copperhaven staff and students to make the transition to high school as smooth as possible. On April 12 grade nine students will meet with SGCHS staff to complete the course selections. It is important that students bring the teacher recommendation from sent home on March 18 back to school prior to April 12th. The completed, parent signed form is needed for students to complete the course selection process.

Extra-curricular Sports News

Big congratulations to our junior and senior basketball teams for their fine showing in this year's season which drew to a close before Spring Break. Our senior boy's team made it to the finals finishing in a "make your school proud" 2nd place spot!

Parents, if you have not yet done so please go into your PowerSchool account and pay the sport fees for your child. These fees are necessary to cover the cost of referees and tournament entry fees and are now overdue.

Thank you to the coaches for the time and effort they put into coaching our students on their own time—Mr. Pousseau, Ms. Kause, Ms. Clarke-Davies and Ms. Harbert with Ben and Justin.

Badminton season has now started with both a junior and senior badminton team ready to play.
