## Year End Dates and Activities

The following are some of our upcoming special events. More information will be coming home directly from classroom teachers, as well.

June 20 Copperhaven Student Talent Show (afternoon)

Gym seating capacity requires that this will be a student event as we have no room to accommodate parents due to fire code capacity limits and a student population of 763 students.

We will live stream the event for people to watch. We will begin loading the gym at 1:15, which will take 15-20 minutes with the show starting as soon as all 750 students are in the gym. The live stream will pop up on the Copperhaven School home page once the Talent Show begins.

June 27 K-9 Test Drive (morning)

Students will spend about an hour in the next year's grade. The students may be regrouped for numbers. The class they spend time in will not, necessarily be the homeroom grouping or the teacher of next year, necessarily. We are simply giving our students an opportunity to have a sneak peak of the next grade.

K-3 Field Day (afternoon)

June 29 Copperhaven Year End Breakfast (9:00 a.m.)

We will be serving up a breakfast for all of our students to celebrate our last day of school.

Teachers will be sending more information home through classroom communication, including a request for any dietary restrictions. Please respond directly to your child's teacher.

Grade 9 Farewell Assembly (11:00-12:00)

We will be saying goodbye to our grade 9's in a celebration of achievement. Grade 9 parents are welcome to attend, communication has been sent through grade 9 classrooms.

A grade 9 student farewell lunch will be served at noon. Students should be returning their R.S.V.P. by Monday June 20 to assist with planning.
