- September 30 National Day of Truth and Reconciliation - No School

School Immunization Program

Alberta Health Services Public Health Nurses will be onsite for teaching and immunization clinics (NOT covid) this year. Public Health Nursing will be focused on providing immunizations to Grade 6 and 9 students. Grade 7 and 8 students who did not complete their grade 6 immunizations will also be caught up during the year, likely over the winter and spring. If parents or teachers have questions or concerns please seek answers at <https://myhealth.alberta.ca/> or Health Link at 811

School Fees

School Fees have been uploaded to PowerSchool accounts and are due by September 30th. Fees can be paid online through your PowerSchool Parent Portal or cash or cheque at the school.

Career and Technology Foundation Courses

In grades 7-9 students have an opportunity to take CTF courses which are intended for your child to explore their interests and passions while making connections to career possibilities and technologies. CTF provides a foundation for students to transition into CTS in high school. The following courses are being offered at the grade 7, 8 and/or 9 level this year:

- Archery
- Art
- Drama
- Robotics
- Food
- Woodworking
- Coding

As part of the CTF programming students are required to develop a career plan yearly. We want to have our students start thinking about their future goals.

Play Parkland

Play Parkland is happening again this year for students in grades 3 through to 6! Students will be transported by bus to the Transalta Trileisure Centre to participate in various physical education activities led by the staff at the Tri Leisure Centre—swimming, gymnastics, skating and field activities. The fee for participation is attached as Play Parkland on student accounts and covers the cost of transportation as well as the facility use. We are looking forward to providing this excellent opportunity to our students again this year.

Volleyball Teams

Our junior and senior volleyball teams have been made for this year. We can't wait for games to start.

Cross Country Running

The first race of the season hosted by Duffield School at Grouse Nest Golf Course. Copperhaven had 25 students registered in the race. It was a great race for all of our students. A note to Mattix F. in grade 7 who placed 7th in his age category.
