

Copperhaven School Communiqué

October 14, 2022

Dates to Remember

- October 19 School Council Meeting 6:30-8:00
- October 20 School Picture Retakes

School Immunization Program

Alberta Health Services Public Health Nurses will be onsite for teaching and immunization clinics (NOT covid) this year. Public Health Nursing will be focused on providing immunizations to Grade 6 and 9 students. Grade 7 and 8 students who did not complete their grade 6 immunizations will also be caught up during the year, likely over the winter and spring. If parents or teachers have questions or concerns please seek answers at <https://myhealth.alberta.ca/> or Health Link at 811

Play Parkland

Some grades have been impacted by a mechanical issue at the Tri-Leisure's pool. Adjustments have been made to the schedule and the cost of swimming will be deducted from the total fee with adjustments being made at a later date when invoices are received at the school.

School Fees

Invoices for outstanding school fees were sent out last week. Please call the school to make arrangements for payment.
