### Principal's Message

*This newsletter will be the last one I write as an educator. After 39 years as a teacher and a school administrator in public schools, I will be retiring at the end of this school year with many fond memories.*

*Opening a new school was a challenge and a once in a lifetime opportunity. I am so proud of the work that was done here at Copperhaven School. This is a wonderful school filled with great people—staff, parents and students. Thank you for the privilege of working with your children and our community. I take with me so many memories and a sense of pride in Copperhaven School.*

*Sincerely,*

**Linda Simmonds**
